

# Pumps – Reliable, powerful and versatile

From the standard water pump, pressure and trash pump to the new Multi-purpose pump, Honda cover all applications with the legendary Honda quality guarantee.

The **NEW** Multi-purpose pump has the ability to pump 49 approved industrial chemicals, and 23 agricultural chemicals. How? With the unique benefit of a fibreglass-reinforced polyester housing, that prevents corrosion. Easy to start, easy to operate and safe.

## Quality guarantee

2

year warranty

12

month warranty

domestic use    commercial use

All Honda pumps come with a cast iron two year warranty for domestic use, or 12 months warranty for commercial use, covering both parts and labour.

# The Multi-purpose pump

An essential all round pump, ideal for any application requiring the movement of salt water, chemicals or acids.

### Features and benefits:

- Fibreglass-reinforced polyester housing – prevents corrosion from use of chemicals
- Suction head – 8 metres
- Maximum total head – 32 metres
- Maximum discharge 833 litres per minute
- Lightweight for portability – 25.5kg
- 2.15 hrs running time on a tank of petrol
- Engine – 5.5hp, 4-stroke overhead-valve
- Quick release couplers – easy to install
- Strainer – limits bulky objects from passing through the pump

2 inch diameter

833 litres per min

Suction Head - 8m

Total Head - 32m

25.5 kg

**Note** – Please check specific usage of industrial and agricultural chemicals.
